Henry W. Bloch School of Management

General Scholarship Eligibility and Requirements

- Must be a degree-seeking student in the Bloch School of Management
- Must be a student in good academic standing
- Awards are generally applied to the fall and spring semesters unless otherwise specified in the award; Study Abroad awards can be applied to summer semester tuition and fees if travel occurs during that semester
- Scholarships are applied directly to the student's account for the payment of tuition and fees; any funds in excess of fees owed to the University are refunded to the student

Individual Scholarship Requirements

Some scholarships require that students be admitted to a specific degree program or emphasis (see scholarship descriptions on the Bloch School website for more details). This information is provided by the applicant and confirmed by the UMKC Registrar. Scholarships indicating preference for or requirement of financial need are selected based on information from the student's Free Application for Federal Student Aid application (FAFSA) and provided to the Bloch School by the UMKC Financial Aid and Scholarships Office.
