If selected, I understand that the Bloch School will be required to share this information with the Graduate Management Admission Council in order to secure my fee waiver. I authorize the Bloch School to release my name and grounds upon which my request was approved.

The GMAT Fee Waiver Program is intended to help economically disadvantaged students access graduate business education. If approved, the student will receive a fee waiver that can be used for one test administration (valued at $250). The number of waivers available is very limited and will be awarded on a first-come, first-served basis. Students are not eligible for multiple fee waiver awards.

Consideration will be given to, but is not limited to, students from the following groups:

- displaced workers
- under-employed college graduates
- active military personnel, their spouses and/or dependents
- recently inactive military personnel, their spouses and/or dependents
- military veterans
- historically under-represented populations

Students must have applied for admission to a Bloch School program and have official transcripts on file with the UMKC Office of Admissions or International Student Affairs Office to be considered for a GMAT fee waiver award.

Completed petitions for GMAT fee waivers will be reviewed by a faculty committee whose decisions will be binding. Those students selected will be notified with instructions on how to register for the GMAT using a fee waiver. The student must have their fee waiver information at the time their exam appointment is scheduled. Waivers must be used by September 9, 2011.

Receipt of a GMAT fee waiver does not guarantee an offer of admission to a Bloch School degree program. Applicants must meet the admission requirements noted on the Bloch School website for their respective degree program. Additionally, applicants are not guaranteed additional scholarship or financial assistance through the Bloch School or UMKC. Applicants are welcome to apply for Bloch School scholarships and/or Federal Financial Aid separate from the GMAT fee waiver process.

The Bloch School is required to notify the Graduate Management Admission Council with the name and method of determining eligibility for all students selected for GMAT fee waivers. By submitting this signed application, you are granting approval to the Bloch School to release this information to GMAC.
